

STUDY GUIDE

FOR SUNDAY LECTURE ON JANUARY ▪

Summary

Student In The Ministry Joseph Muhammad discusses several topics, including the distress of people in America, and the importance of prayer.... He notes that insurance companies are not paying out to clients and that people are angry and confused. He also discusses a poll by the American Psychological Association (APA), that found the top stressors for people in the U.S. are:

- **U.S. politics (%)**
- **Health care (%)...**
- **Violence and crime (%)**
- **The environment (%)**
- **Global tension (%)**
- **Gun laws and regulations (%)**
- **Housing, mass shootings, and the spread of fake news (% average)**

Joseph Muhammad emphasizes that people need to have a plan and strategize before leaving their homes, as there are dangers lurking. He also states that events happen either by Allah's active or permissive will, and that believers need to constantly pray. He concludes by reading words from the Honorable Minister Louis Farrakhan about getting rid of fear and guilt.

Student Minister Rodney Muhammad speaks about various topics, including the importance of faith, the state of the world, and the teachings of the Honorable Elijah Muhammad and the Honorable Minister Louis Farrakhan.... He states that the weather is not just something that happens, but that God has a hand in it.... He mentions that the Honorable Elijah Muhammad taught that Allah can use the forces of nature, including insects, to drive man to distraction.

Rodney Muhammad also speaks about the breaking up of families, stating that it is not an accident but by design. He emphasizes that people should not be out of love with themselves, and that social engineering is a factor. He also teaches that faith is the substance of things hoped for, and the evidence of things not seen.... According to Rodney Muhammad, **faith is an expectation, and should be supported by actions....**

Rodney Muhammad also explains that a new world based on truth, freedom, justice, and equality is coming. This world will be governed by a government of peace headed by God and his Christ.... He also discusses the importance of understanding the time and reading the signs....

Other key topics discussed by Student Minister Rodney Muhammad include:

- The importance of having a proper view of the man of God, which expands one's range of vision

- The concept of the Great Mahdi, who is self-guided and comes to guide humanity back to the straight path of God...
- The importance of re-educating and retraining all of humanity, and that the real mission starts with Black people...
- That Satan's final weapon is religion, and his last trick is his woman...
- The necessity of acting on what one believes, because faith without works is dead...
- The importance of understanding that all blessings come from God, not one's employer or business contracts
- That the Koran is a guide for those who keep their duty
- That the new world will be populated by those who are careful how they think, act, and eat...
- That believers should use a special link to contribute to the Honorable Minister Louis Farrakhan's work for Saviors' Day...

Overall, both speakers emphasize the importance of faith, prayer, and following the teachings of the Honorable Elijah Muhammad and the Honorable Minister Louis Farrakhan to navigate the challenges of the current times.
