DELIVERED:
SUNDAY SEPTEMBER 28 2025

KEYNOTE:
DELAWARE VALLEY STUDENT
MINISTER RODNEY MUHAMMAD

SUMMARY

Student In The Ministry Joseph Muhammad opens this powerful lecture by establishing the divine pattern of God sending messengers to humanity, praising Master Fard Muhammad for coming to North America, and identifying the Honorable Minister Louis Farrakhan as the champion and guide for this difficult hour of the War of Armageddon.

Keynote Speaker Student Regional Minister Rodney Muhammad then delivers the concluding message in a powerful prophecy series, asserting that the Nation of Islam's mission proves that the world is in its predicted final days. He emphasizes the critical need for Black people to embrace self-development and cease dependence on those who hate their future.

Student Regional Minister Rodney Muhammad's insightful address covers:

- **Prophetic Fulfillment:** He details how nature and global events—like America "hastening on her doom"—are fulfilling prophecy, noting that the elements (sun, moon, and stars) that once worked for the wicked are now working against them because their time is up.
- **The Power of the Messenger:** The Minister highlights the undeniable strength of the Honorable Minister Louis Farrakhan, citing him as the greatest proof of the efficacy of the Most Honorable Elijah Muhammad's teachings, especially given that Farrakhan remains standing despite the efforts of those who wish him dead.
- **Decoding Time:** He illuminates the prophetic significance of the number 42, linking Master Fard Muhammad's education and Elijah Muhammad's ministry to the age of Minister Farrakhan when he began the rebuilding effort in 1975.
- **The Path to Independence:** The Minister reminds the audience that the first command in Islam was to Read. He urges believers to pursue God's wisdom, which will protect them from falling victim to the arch deceiver and lead to transformation, even suggesting profound change is possible in as little as 90 days of dedication.

Study Guide: Student In The Ministry Joseph Muhammad

◦ **Answer:** Allah is merciful enough to send a messenger, Warner, or prophet *before* bringing down His wrath and total destruction when the human family strays or falls from the lofty divine position they were put in. Joseph Muhammad gives thanks for Moses and the Torah, Jesus and the Gospel, and Muhammad and the Holy Koran as examples of these worthy servants.

2. **Question:** Why did Student In The Ministry Joseph Muhammad state that Master Fard Muhammad came to North America, and what was His initial reaction upon seeing the condition of the people?

◦ **Answer:** Master Fard Muhammad came to North America because Allah saw the people's condition as so crucial that He saw fit to come Himself to find His father's people. Joseph Muhammad relayed that when Master Fard Muhammad arrived in Black Bottom, Detroit, He looked at the low position the people had fallen to, sat on the curb, and literally wept.

3. **Question:** How long did Master Fard Muhammad work in Black Bottom, Detroit, and what significant item did He distribute during that period?

◦ **Answer:** Master Fard Muhammad worked in Black Bottom, Detroit, for three years and four months. During that time, He gave out **25,000 holy names**, all of which are attributes of Almighty God, Allah Himself.

4. **Question:** What interaction between Master Fard Muhammad and the man He called Kareem (who became the Most Honorable Elijah Muhammad) demonstrated great mercy?

◦ **Answer:** When Master Fard Muhammad stated, "I think that we have gotten all that we're going to get," meaning He was ready to destroy every one of them, the man He called Kareem said, "well, if you going to kill them, you might as well kill me right along with them." Master Fard Muhammad responded that He knew Elijah Muhammad would say that.

5. **Question:** According to Joseph Muhammad, what crucial, difficult time has the people entered, and who is their guide through it?

◦ **Answer:** The people have entered a "very crucial time in our history where things are really falling apart", which is called the **War of Armageddon**. The man who is guiding them today is their illustrious leader, teacher, guide, friend, confident, and champion, the **Honorable Minister Louis Farrakhan**.

6. **Question:** What does Student In The Ministry Joseph Muhammad say regarding the embodiment of the Honorable Minister Louis Farrakhan?

◦ **Answer:** The Honorable Minister Louis Farrakhan is described as the **embodiment of Master Farad Muhammad and the Most Honorable Elijah Muhammad**. He is also described as the **embodiment of every prophet in the Koran and the King James Version of the Bible**. Joseph Muhammad insists that if one doesn't look at his form but rather looks at him in Scripture, he will be seen "right there, bold and clear".

7. **Question:** How does Joseph Muhammad define who is an "original Muslim" in the context of being in America?

◦ **Answer:** Joseph Muhammad references the Honorable Elijah Muhammad, who taught that the people God was looking for are in the 2,000 by 3,000 mile border called America. He concludes that if you are Black and in America, **"you are Muslim and don't even know it,"** regardless of whether you wear the label or have accepted the teachings yet.

Regional Student Minister Rodney Muhammad

1. **Question:** According to Student Minister Rodney Muhammad, why is the presence of a prophet or messenger a sign that a people are "out of order" with God?

◦ **Answer:** The presence of a prophet or messenger is not a celebration that the people's relationship with God is going well. Instead, it is a clear sign that the people are out of order with God, and the teacher is sent or raised to raise their consciousness and bring them back to God's will as an act of mercy.

2. **Question:** What does Student Minister Rodney Muhammad identify as the greatest proof of the efficacy (effectiveness) of the Most Honorable Elijah Muhammad's wisdom?

◦ **Answer:** The greatest proof is the Honorable Minister Louis Farrakhan, who serves as the student servant, apostle, and messiah. Despite many people, both white and black, wanting him dead, they are dying before he does, showing that Farrakhan is still present.

3. **Question:** What was the first command revealed, and why is this command foundational for a healthy relationship with God?

◦ **Answer:** The first command was to **Read**. A healthy relationship with God cannot be maintained ignorantly or just based on feelings. God gave humans an intellect, and it will not grow if they do not read.

4. **Question:** Why did Master Fard Muhammad deliberately choose July 4th to declare independence for Black people?

◦ **Answer:** The choice was deliberate and no accident. It mirrors historical events, such as when Ben Franklin told the early colonists that the only way they would get their demands met was by establishing a new nation. Master Fard Muhammad chose that date to declare man's independence.

5. **Question:** How does the Minister characterize the fate of those who seek to remain dependent versus those who pursue independence in this "season"?

◦ **Answer:** If one chooses to remain dependent, they will have a miserable and unhappy life. Conversely, everything one does to stand up and declare independence from the former slave masters' children will be difficult, but necessary.

6. **Question:** What is the prophetic significance of the number **42** as detailed by Student Minister Rodney Muhammad?

◦ **Answer:** The number 42 links several crucial timelines: 7 multiplied by 6 equals 42; 42 generations passed between Abraham and the birth of Jesus; Master Fard Muhammad studied for 42 years for our deliverance; He taught the Most Honorable Elijah Muhammad for approximately 42 months; and Minister Farrakhan was **42 years old** when he began the rebuilding effort in 1975.

7. **Question:** How does the Minister address the reluctance among some Black people to accept a Black man as a messenger?

◦ **Answer:** He points out the disrespect embedded in this idea, noting that people demand Black representation in all secular areas (boards, city council, teams) but then "don't want a black man" as a messenger. This often happens because they believe having a Black messenger makes them racist, which he calls a trick.

8. **Question:** When the time of the wicked runs out, what happens regarding the natural elements?

◦ **Answer:** The Minister states that once the enemy has run out of time, the same elements—the sun, moon, and stars (the forces of nature)—that used to work *for* them are now working *against* them.

9. **Question:** According to the teachings, what is the only part of a human being that does not return to the earth upon burial?

◦ **Answer:** The human body is made up of earth elements like water, stone, and soil. The only thing in us that did not come from the earth is the **essence of God**, which came directly from Him and therefore cannot be taken back to the earth.

10. **Question:** What does Student Minister Rodney Muhammad suggest is a primary reason for the instability and degeneration seen in the nation today?

◦ **Answer:** The nation is made up of its homes and home life. The balance in the home is lost because the man and woman confuse secondary sources (each other) with their primary need, which can only be satisfied by God.

11. **Question:** How does one feed the "essence of God" within oneself, and what is the result of this action?

◦ **Answer:** When one feeds on God's word, they are feeding the essence of God in themselves, allowing it to grow. As this essence grows, thoughts should change.

12. **Question:** Based on the Minister's message of transformation, how long does it take for a person to undergo profound change?

◦ **Answer:** The Minister stated that transformation does not take a lifetime; profound change is possible in as little as **90 days** of dedication to what is taught.
