Study Guide: Keynote Speaker

(Focusing on Delaware Valley Student Regional Minister Rodney Muhammad)

1. **Question:** What foundational statement does Minister Rodney Muhammad make regarding the manifestation and nature of God? **Answer:** He states that they believe God is a man who makes himself manifest as spoken of in scripture, and that He is infinite only in the brain of man.
2. **Question:** How does Minister Rodney counter the traditional concept of looking to the sky for salvation? **Answer:** He explains that the enemy kept people looking to the sky where nothing has come from except wetness, whereas Jesus's actual prayer requested that God's will be done "on earth as it is in heaven"—not in the sky.
3. **Question:** How does Minister Rodney define the historical and structural origin of the "Negro"? **Answer:** He states that the Negro is a specific, laboratory-like creation of the United States of America, emphasizing that there is no independent historical "Negro land" from which the original people were taken.
4. **Question:** Why was Master Fard Muhammad uniquely equipped to rescue people from this systematic degradation? **Answer:** He entered into this civilization but never became a victim of it, meaning the dominant white culture did not color or influence his divine view, way of looking at things, or standard of truth.
5. **Question:** Based on Minister Rodney's reference to the 106th Psalm, what happens when a people's cravings provoke God to anger? **Answer:** Instead of instantly destroying them, God gives them exactly what they are craving, but simultaneously puts "leanness into their souls."

6. **Question:** How is a "lean" or "barren" soul defined within the context of the lecture? **Answer:** It means to be completely emptied inside and robbed of spiritual vitality, causing an individual to endlessly chase the material things of the world with zero spiritual focus.
7. **Question:** What instruction did the Honorable Elijah Muhammad give to his minister in Boston concerning housing and the expectations of the congregation? **Answer:** He told him to immediately move his family into the parish home, warning him: *"Brother, if you waiting on the people to want you to have something, you'll never have nothing."*
8. **Question:** According to the lecture, what did Jesus bring to the poor that was infinitely greater than a literal dollar? **Answer:** He brought inspiration, which provides energy and gives light to the mind so that a poor man can conjure up a vision to lift himself into an entirely new reality.
9. **Question:** Which critical, foundational figures of the Nation of Islam's rebirth did Minister Rodney state have recently passed away or departed, changing the dynamic of the modern era? **Answer:** He noted the profound losses of Mother Tynnetta, Brother Jabril, Sister Ava, Minister Abdullah Muhammad, Minister Rahman, the children of Minister Farrakhan, and the foundational rock, Mother Khadijah Farrakhan.
10. **Question:** How do the "high-wise scientists" or highly educated men read and predict historical outcomes before they happen? **Answer:** They are deeply educated in divine things and are capable of reading creation, mapping out the longitude and latitude of human thoughts and actions to calculate outcomes accurately.
11. **Question:** What scriptural and metaphorical meaning is applied to a nation whose "cup of iniquity is full"? **Answer:** The cup is a metaphor for the fullness of an experience; when a nation's cup is completely filled with continuous, willful sin and an overwhelming preponderance of evil, it leaves no more room for grace, thereby forcing God's active destruction.
12. **Question:** What absolute rule governs the universe before God delivers His final acts of wrath or destruction upon a society? **Answer:** Each act of God's wrath is always strictly preceded by a warner or a messenger who represents an extension of divine mercy, giving the people an ultimate opportunity to repent and reform.
